

# PINE CLEANER DEODORIZER

Cleans & Deodorizes

## DESCRIPTION

A combination heavy duty cleaner and deodorizer. Forms a white, deep cleaning emulsion when mixed with water. Deodorizes and leaves a pleasant odor of pine oil to keep foul odor areas fresh.

## BENEFITS

**EXTRA PINE OIL:** Contains 3 to 4 times more steam distilled pine oil than typical highly advertised household brands.

**EMULSIFIED:** The pine oil and the surfactants are emulsified to combine their effectiveness when mixed with water.

**PLEASANT PINE ODOR:** Not only cleans and deodorizes, but leaves a pleasant pine odor to show that the job has been well done.

## HOW TO USE

To clean moderately soiled surfaces, mix 2 - 6 ounces of Pine Cleaner Deodorizer per gallon of water and apply with mop cloth, sponge or brush. Heavily soiled surfaces may need to be pre-cleaned and may have to be followed by a second application. See label for details. No rinsing is necessary except on rubber or asphalt tile and on food contact surfaces.

## USES

Cleans and deodorizes floors, pet quarters, garbage cans, dumpsters and compactors. Cuts grease, removes crayon marks and old wax. Use it also as an additive to laundry to boost cleaning and to deodorize.

## SPECIFICATIONS

APPEARANCE.....	Amber liquid
ODOR.....	Pine
SPECIFIC GRAVITY.....	0.961 ± 0.005
DENSITY.....	8.02 ± 0.05 lb/gal
BOILING POINT.....	Near 212°F
pH.....	9.0 ± 0.5
FLASH POINT.....	121°F
STABILITY.....	One Year Minimum
PERCENT OF PINE OIL.....	21.5

PRODUCT CODE.....PCD
