

SILVER SURFER

Wheel Cleaner

DESCRIPTION

Silver Surfer Wheel Cleaner is a quick and thorough cleanser that will tackle everything from scuff marks and road haze to oxidized rubber and brake dust. There is no need for steel wool or hard scrubbing to make wheels look like new again. No acids or other dangerous chemicals.

BENEFITS

- *No Acid*
- *No Need for Hard Scrubbing*
- *Like New Look*

HOW TO USE

1. Spray Silver Surfer Wheel Cleaner liberally on tire rim.
2. Let stand for about thirty seconds then rinse off. Only the heaviest marks will require scrubbing with a brush or a second application.
3. While surface is wet, wipe off with a damp cloth and rinse with clean water.

NOTE: Avoid splashing on surfaces other than those being cleaned.
